

# Coaching Skills Certificate

2 day programme

Experience what it's like to be an executive coach and begin to understand the power and success of coaching.

This two-day programme will introduce you to the principles and practice of coaching. Not only will you learn how to use an effective four stage model that will allow you to begin coaching right away, you will also discover what kind of coaching is right for you.

## Programme Content

You will have access to expert tutor input from an experienced Executive Coach, and you will also receive expert and peer feedback as you test your "coaching wings" in small practice triads: coach - coachee - observer. Coaching skills are not just for the workplace - they have positive effects on all aspects of your life. You will enjoy improved communication with friends, family, colleagues as well as helping clients.
